

Parts Canada is pleased to announce **IPONE®** as the newest addition to our lineup of valued aftermarket parts and accessory suppliers distributed across Canada.

Founded in France, the award-winning company is committed to providing high quality oil and lubricants to suit the everyday needs of recreational and racing motorcycles. The comprehensive range of products include everything from Sand Chain spray, synthetic motor oil to cleaning polish all of which are considered “The combat oil Made in France”. Now in its 33rd year of activity, the internationally renowned line prides itself on carrying the largest range on the market.

While the company set out to be “100% motorcycle” at its inception, IPONE’s innovative essence has led to a brand expansion with the objective of developing maintenance and care products catering to various recreational vehicles such as ATV’s, and snowmobiles.

At Parts Canada, it is our dedication to deliver high caliber products, driving us to continually search for reputable industry leaders in pursuit of innovation.

Welcome IPONE to the Parts Canada family.
