

# ICON ALLIANCE GT THE HORROR™ HELMET

## EVERYONE HAS THEIR DEMON

It started in the Northwest, the invoking of a street born villain raised on a healthy diet of moving violations and jumped titles. This time our personal entity of asphalt destruction takes the form of 'The Horror'. Painted up in rage red or burly blue, depending on your juvenile favorite color preference. Every man has their demon - we just emblazoned it on your dome.

SIZE: XS-XXXL
